Dear Sir/Madam,

**Request for Support Towards Campus Gospel Outreach Initiative**

Warm greetings from the Great Commission Movement Sierra Leone (GCMSL). Founded in 1981 by visionary missionaries, GCMSL has remained committed to fulfilling the Great Commission through strategic discipleship, evangelism, and community transformation. At the core of our mission lies a simple yet profound aim: To expose every individual to the gospel, ensuring that each person knows someone who genuinely follows Christ. This vision is rooted in the biblical mandates of **Matthew 28:19–20** and **2 Timothy 2:2**.

With this purpose in mind, we are organizing an upcoming Impact 2025, a national congress that brings together students and professionals for 1-week of teachings, training and fellowship. This yearly event is a transformative event designed to teach the gospel to students from various institutions through immersive teachings, mentorship, and fellowship. This initiative seeks not only to inspire faith but to cultivate leadership, character development, and a heart for positive societal impact among young adults.

In light of your company's demonstrated commitment to national development and community engagement, we respectfully appeal to Leone Rock Sierra Leone for partnership and financial assistance to help us successfully execute this program. Your support will directly impact the lives of students who are poised to become agents of change in Sierra Leone and beyond.

We are confident that by partnering with GCMSL in this effort, Leone Rock will be investing in the spiritual and moral foundation of future leaders an investment that ripples through families, communities, and generations.

We would be honored to discuss further details with your team at your convenience. Thank you for considering this request, and we look forward to the possibility of joining hands with you to build a brighter future through faith.

Yours sincerely,

Esther Lebbie

Secretary General.
